sorry I haven't responded until now - I was on vaca and forgot to have my email send out an alert. As of now this case is set to go tomorrow but who really knows until that day. Do you have a cell phone where I can reach you?

Hi Karen-

I haven't heard anything from the ADA in Brockton for my case there tomorrow, so I'm assuming that I will be on call there. I have let him know that I wouldn't be available until after the lunch break, so if you need me for the [REDACTED] the earlier I testify the better (and it would have to be before the lunch break). Please let me know as soon as you know if your case is selected to go to trial tomorrow so I can get there. Thanks.

Karen-

Have there been any changes in the status of the [REDACTED] case scheduled for trial on May 11, 2011? I've also emailed the ADA in my Brockton case that day to see if anything has changed in his case. Thanks.

the defense counsel tells me it is definitely a trial I made an offer on the last date but they rejected it.

Hi Karen-

I'm curious of the status of the [REDACTED] case scheduled for trial on May 11, 2011 as I have received a summons for a case in Brockton that day as well and I am trying to let the ADA there know if I'll be available for him or not. Thanks for your assistance.
